

The Hiltone

Hiltonia House Tour 2012

Neighborhood "spruce-up" is a big part of our plans in preparation for our house tour. We are working to get Stuyvesant, from Buckingham Ave to the Ewing border, paved before the tour. Also, we hope to have Hiltonia welcome signs on Stuyvesant up by then.

I (your president) am also encouraging neighbors to think about planting spring bulbs, this fall, in time for bloom next year. They are relatively inexpensive and provide a lot of pizzazz. My favorite wholesale catalogs are www.vanenglen.com, www.johnscheepers.com, and for those who want all the color work done for them, www.colorblends.com. These

catalogs emphasize large flower groupings in borders. The results are spectacular along driveways, walkways or curbs.

They recommend digging a bed to appropriate depth with a tiller (remove covering dirt to side), throwing all the bulbs down, making sure the tops are pointing up and then recovering the bulbs with dirt. Neighbors might consider sharing costs and purchase larger quantities of the same product. If there is a need, we can combine smaller orders with larger ones (with some catalogs, there is a minimum order amount). Please send an email to the google group if you want to combine your order.
