

The Hilltone

Hosts needed for upcoming meetings and the annual Winter Party!

We need a host for the November General Meeting. All that's needed is your home. Association officers will arrive 30 minutes before the meeting to set up folding chairs and refreshments. We'll clean up and take the chairs at the end of the evening.

We also need a host for the Winter Party. As host, you get to set the date (typically January.) We'll come early to set up and provide the alcohol, mixers, soft drinks, etc., as well as all the paper products. We will bring chairs if you think they're needed and stay to clean up afterwards.

Don't worry if you think your house isn't big enough, we'll make it work! Anyone's willingness to open their home is greatly appreciated! If interested please feel free to contact Margaret Mason by phone or email, or any of the Hiltonia Association officers (names and contact info on bottom of this publication).

Join the Hiltonia Civic Committee!

If you want to improve the quality of life in Hiltonia please join the Civic Committee. You can improve trash pickup deficiencies and issues like weekend noise from the park.

Together we can partner with local elected officials to address issues and come to agreements that everyone can live with. The only way to make improvement is to get involved. Join the Association and make a difference!

Congratulations to Brian Viehland.

Hiltonia's Brian Viehland was elected President of the TCCA. The TCCA (Trenton Council of Civic Associations) is the central organization for the exchange of information and ideas of all member civic associations. Wish him luck as the TCCA moves into a new chapter of leadership. For more information visit: www.tccatrenton.org

Goodbye and best wishes to the Shelingoskis.

Hiltonia is losing long time residents Bobbie and Chuck Shelingoski. They will be leaving us to move down south to enjoy their growing family. Bobbie and Chuck have been residents of Hiltonia for a total of 23 years. Thirteen years the first time and then they moved back for another decade. Let's all wish them the best of luck as they begin a new chapter in their lives! On the bright side, their home sold very quickly and we will soon be welcoming a new neighbor to Hiltonia.

Calendar of Events

Tue. Sep 16

7:30 pm - 9:30 pm

Membership Meeting
15 Cornwall Avenue

Fri. Oct 3

As of Sept 4, 2014 we have 142 members and 28% of the houses represented. Join/Renew today to support the neighborhood - it's only \$15 / year!

*****Important information about the disposal of yard waste.*****

City of Trenton

Article 1: Garbage collection—Preparation for collection.

H. **Shrubs, clippings, rakings.** Branches, clippings, shrubs and rakings in excess of 24 inches but not greater than 4 feet in length, and not in excess of 50 pounds in weight, may be placed at the curb for pickup if securely tied in bundles so as to prevent their being scattered, carried or deposited by the elements upon any street, sidewalk or other public or private place or premises.

I. **Trees, stumps, commercial rubbish and construction waste.** Arrangements for disposal of trees, tree stumps or commercial rubbish and construction waste shall be made by the owner, occupant or person in control of the premises affected, either personally or by agreement with a landscape contractor or other worker engaged in work resulting in such accumulation.

J. **Leaves.** For the period between September 1 and December 31 each year, leaves shall not be combined with residential or commercial waste which is to be collected by the City collection system. During this period, leaves may be disposed of in one of two methods: (1) Leaves may be placed loose at the curblin in front of a property owner's own property; or (2) Leaves may be bagged and placed at the curb only on those days so designated in each neighborhood by the Director of Public Works.

The condensed version:

- Anything in excess of 24" but less than 48" in length must be securely bundled and tied before it is placed at the curb for pickup. If it is not bundled it will not be picked up.
- You may not place branches into your regular garbage containers for pickup on garbage days.
- Trees, stumps, commercial rubbish and waste will not be picked up. You must make arrangements to dispose of this with your contractor.
- Leaves are seasonal so be sure to follow the date range outlined above for disposal.

If you have specific questions please call **Trenton Sanitation at 609-989-3175**

Interested in becoming a 2015 Hiltonia Association Officer?

As we enter the fall, we are looking forward to 2015. The nominating committee for officers will be seeking anyone interested in holding an office in the Hiltonia Association. Since this is the end of the second term for most of our officers, there are many opportunities to get involved! Contact Linda Reid at weidellinda@aol.com to let her know if you are interested!

Elections will be held at the January meeting. For all those who wish to run or wish to vote, you must have your 2015 dues paid prior to the January meeting. A dues form will be sent around on the next Hilltone.
