Registering for the COVID-19 vaccine

Getting Your COVID-19 Vaccine Is One Of The Many Steps You Can Take To Stay Healthy

Let's Get Vaccinated
covid19.nj.gov/vaccine

Step 1: Make Your Appointment
 If you are eligible to receive a vaccine:

- Register for the vaccine on the [NJ Vaccine Scheduling System](#), and you will be notified when an appointment is available to you. Call 1-855-568-0545 if you need assistance.
- OR, make an appointment directly with one of the designated [vaccine sites](#).

Please be patient. Supplies are limited and it may take some time to set up your appointment. Eventually everyone who wants it will receive the vaccine!

Step 2: Get Vaccinated
 When you get your vaccine, you will receive the following:

- Information about the vaccine you are receiving
- Monitoring for 15-30 minutes to make sure you have no immediate side effects
- A card that lists the vaccine name, date, location, and when to receive your second dose. Make your second dose appointment at the site where you received your first dose!

Step 3: Stay Healthy
 Stopping a pandemic requires using all the tools we have available. Know that it takes time for your body to build protection after any vaccination, so it is important that you continue wearing a mask, practicing physical distancing, washing your hands frequently, and staying home when sick.

You can get a vaccine for free regardless of your documentation or insurance status.

VACCINATIONS

Mercer County hosts two vaccination sites – one at **CURE Arena** in Trenton, in partnership with Capital Health, and the other at **Mercer County Community College's** West Windsor campus. A limited number of doses are currently available due to a supply shortage at the federal level. **To receive a vaccination from Mercer County, you must first register with the NJ Vaccine Scheduling System (NJVSS) at <https://covidvaccine.nj.gov> or by calling 855-568-0545.** No walk-ups can be accommodated at the vaccination sites. You will be notified when it is time for you to schedule an appointment. For more information, visit the [COVID-19 Vaccination](#) page on the Mercer County website.

If you need assistance with NJVSS, visit covid19.nj.gov/vaccinehelp or call New Jersey's toll-free COVID-19 vaccination hotline at **855-568-0545**.

For information on getting the second dose of the vaccine, [click here](#).

For information on vaccination eligibility, vaccination locations, and more, visit the State's vaccine website at <https://covid19.nj.gov/vaccine>. Even if you are eligible for receiving a vaccine, an appointment may not be immediately available to you due to limited vaccine availability.

Current COVID-19 vaccination eligibility:

- Paid or unpaid individuals working in a health care setting
- Residents of long-term care facilities and other congregate settings
- First responders, including sworn law enforcement and fire professionals
- Individuals age 65 and older
- Individuals age 16 to 64 who have at least one medical condition, as defined by the [Centers for Disease Control and Prevention](#), which increases the risk of severe illness from the virus.

HAVE GENERAL QUESTIONS ABOUT COVID-19?
